

Music To Me

By Jonathan Chan

MS 158Q Symphonic Band/Jazz Ensemble, Tuba

You gave us instruments that weren't broken
Now our full potential has awoken
We do our best everyday
Every day from June to May

Because of you guys we are happy
And every day is a little less crappy
My life revolves around music
When I hear music I completely loose it

Music is like air
when music is around frowns are very rare
You taught us these messages
That will be with us for ages

You gave us the musical power
Which we use every day for an hour
Everyday
Playing the day away

So we thank you
For making our dreams come true
